NBA 2K LEAGUE HIGHLIGHTS

• The NBA 2K League, a professional esports league co-founded by the NBA and Take-Two Interactive Software, Inc., launched in 2018.

• The NBA 2K League's inaugural season (which tipped off in May 2018) featured 17 teams, all operated by NBA franchises.

• For the NBA 2K League's debut season, the best 102 NBA 2K players in the world were selected from 72,000 hopefuls.

• The 15-week regular season included 12 weeks of matchups and three weeks of tournaments. Tournament results did not count toward a team's 14-game regular-season record, but served as a tiebreaker for the postseason.

• The NBA 2K League awarded $1 million in prize money during its first season, with the largest prize pool reserved for the end-of-season champions. As the winner of the best-of-three NBA 2K League Finals, Knicks Gaming received $300,000.

• Knicks Gaming, which finished the regular season with a 5-9 record, made the playoffs by virtue of winning THE TICKET tournament. Without that tournament title, Knicks Gaming would not have qualified for the postseason.

• All games are streamed live on Twitch and take place from the NBA 2K League Studio Powered by Intel in New York City.

• Grizz Gaming's Mehyar "AuthenticAfrican" Ahmed-Hassan set the NBA 2K League single-game scoring record with 84 points.

• The number of teams participating in the NBA 2K League's second season (2019) will increase to 21 after the addition of affiliates for the Atlanta Hawks, Brooklyn Nets, Los Angeles Lakers and Minnesota Timberwolves.
